Strong Core, Healthier Lives

HAMILTON URBAN CORE COMMUNITY HEALTH CENTRE FTE (35 hours/week)

Social Worker

Hamilton Urban Core is a thriving inner city health centre and a leader in the provision of high-quality primary health services and health promotion programs. Our comprehensive health services are delivered through a dynamic team of multidisciplinary, inter-professional health providers. As an inner-city health centre our client populations include individuals and families with chronic and complex health and social conditions, many of whom are living in poverty.

The Social Worker is an essential member of the client-centered, inter-professional, multidisciplinary team of health providers at Hamilton Urban Core. The Social Worker will work with other members of the Centre's teams to effectively and efficiently serve clients and communities using responsive and innovative approaches to services and service delivery framed by health equity and the social determinants of health. The Social Worker will provide individual and group-work services, case management, assessment and counseling services and perform other therapeutic functions for clients and their families or support networks. Our office is fully compliant with all COVID-19 protocols.

Hiring range: Starting from \$62,749.13
