**HAMILTON URBAN CORE COMMUNITY HEALTH CENTRE**  
COMMUNITY HEALTH PROGRAMS ACCESS FACILITATOR  
6 Months Contract

Hamilton Urban Core is a thriving inner city health centre and a leader in the provision of high quality primary health services and health promotion programs. Our comprehensive health services are delivered through a dynamic team of multidisciplinary, inter-professional health providers. As an inner city health centre our client populations include individuals and families with chronic and complex health and social conditions, many of who are living in poverty. The Access Facilitator provides services and supports to marginalized newcomer individuals and families in the community in order to assist them connect with the systems, services, networks and programs they need to help them with their settlement, health and health related issues. This may include one-on-one individual services, group activities or programs and/or outreach to communities and may include some case coordination. Acting as a member of the multidisciplinary staff team, the Access Facilitator collaborates with other staff members and service providers to ensure optimal quality of service.

The successful candidate should have:

- Demonstrated experience working with marginalized individuals and communities, particularly newcomer / immigrant communities and racialized groups
  - Relevant education and related experience
- Experience in the community services or community health centre sector
  - Knowledge of the immigrant services sector. Working knowledge of the immigrant settlement process and of issues impacting immigrant and refugee communities in the Hamilton region
- Demonstrated experience in providing a range of mental health supports and services for marginalized newcomers
- Demonstrated experience of working within an anti-racist, cultural sensitivity/appropriate framework
- Working knowledge of a wide variety of community resources
  - Experience with individual and group assessment and group facilitation
- Demonstrated experience in developing and conducting outreach activities
- Ability to work independently and within a multi-disciplinary team
- Knowledge and understanding of community health centres committed to equity in employment

Hiring range: Starting from \$42,214.02 – \$46,288.40
